AWAKENED
ACADEMY

WELCOME

ARE YOU READY TO AWAKEN AND SERVE THE WORLD?

You are eternal. You came here into this world to be free and express your gifts.

Over the last 10 years, we've been blessed with the opportunity to serve people from all over the world, in over 75 countries, through personal mentoring, books, courses and live programs. We've worked with men and women of all ages and backgrounds from 18 to 78. We've helped mothers, fathers, coaches, entrepreneurs, corporate execs, multi-millionaires, therapists, designers, authors, musicians, raw-food chefs, actors, dancers, healers and everything in between.

And there's one thing in common.

Each and every one is an eternal soul.

If there is one thing we know for sure, it's that every soul has a purpose and every soul will awaken to their true nature. It's just a matter of time.

Some will awaken now and free themselves to be of service. Others will awaken later at their own time.

The choice is ours. We can choose to be free now if we want. Or we can wait and suffer though life feeding our false identity and old patterns. It's all a choice.

We're happy to say that after a powerful awakening, we've been able to help countless souls awaken to know their true nature and embrace their mission. As they free themselves they have awakened new realities and possibilities. They have gone beyond their dreams into new levels of freedom, joy, bliss, abundance and peace. And it's such a deep joy for us to be of service in this way.

Past clients have changed careers, published books, transformed their relationships, increased their income, created successful businesses, and, most importantly, all of our clients have had an awakening of their true nature, dharma and power.

We think this is what makes our mentoring unique, and it's why we love it so much.

Creating lasting, eternal changes in consciousness with you, in a created space of trust, commitment, vision and possibility is powerful beyond measure. As you awaken - you realize you are always safe. You become limitless. You drop fear, anxiety and excuses and become the master of your life - as the immortal spiritual being you are. Doors open and magic comes flooding in.

You leave mentoring with us having learned how to create success in your life on your own, and how to create from a higher state of consciousness, peace and power.

WHO WE WORK WITH

Most of our clients are already successful in one or more areas of their lives, but they're ready for more - more freedom, more happiness, more service, more wealth, more peace and more success.

Others fall into the category of "emerging AwakenedPreneurs" - coaches, healers and those who are wanting to bring a full expression of themselves into their lives - attract more clients, help more people and experience more abundance in their lives.

REGARDLESS OF THEIR BACKGROUND, ALL OF OUR CLIENTS MEET 5 SIMPLE CRITERIA:

- 1. They are willing to invest their time, money and energy to create something so powerful in their lives that it has lasting impact.**
- 2. They are willing to stretch, be bold and be vulnerable. To go to the edge of their comfort zone and experience breakthroughs.**
- 3. They are fun, engaged, present and inspired. We are inspired by them and believe in their mission and integrity.**
- 4. They are willing to explore how their mind works, go deep into their inner world, release what no longer serves them and apply the keys to high performance and easy success.**
- 5. They are open to explore any and every aspect of their lives – what's working and what isn't, what they want to create and what seems to be standing in their way. As we tell all our mentoring clients, "We're not here to please you. *We're here to serve you.*"**

We're not here to sugar-coat things or pander to the ego. We're not here to buy into any of your fears, limitations or past stories that held you back. We're here to help you unleash your brilliance and help you go beyond your current dreams.

TRANSFORMATIONAL PERSONAL & BUSINESS MENTORING

MINIMUM MENTORING AGREEMENT: SIX MONTHS

We work with a select number of people for a minimum of six months. **Clients call in from:** United States, Australia, Canada, England, Ireland, Sweden, Denmark, France, Germany, Italy, New Zealand, Switzerland, Portugal and from all around the world.

YOU WILL RECEIVE:

✦ **THREE GROUP MENTORING SESSIONS PER MONTH (90 MINUTES EACH)**

In these sessions, you will:

- Awaken your freedom. Identify, question and let go of the stories and thoughts that create limitation, resistance and fear in your life. Expose the ego and any negativity stopping you.
- Explore any and every aspect of your life - what's working and what isn't, and what seems to be standing in the way of your fullest expression. *We will help you practically to achieve what you set out to, i.e. structure a course, write and publish a book, set up a new business, etc.*
- Get clear on what you need to do next to get where you want to go. We will advise you on specific areas of your life or business that you need help with - *so you can save time, money and energy and get to your destination faster.* We will help you with the steps along the way of bringing your work/vision to life.
- Nothing is off-limits in these sessions – it's often the times where we seem to go "off-topic" that lead to the biggest realizations and breakthroughs. It's also the topics you don't want to discuss that can be the open door to a new level of freedom. We create a safe place for you to transcend perceived limitations.

✦ **1-ON-1 SESSION EACH MONTH (TOTAL OF 6)**

- In addition to our group mentoring calls, you receive 1 personal 1-on-1 session with Arielle or Michael each month (switches off each month) to go deep into your work/growth & have very personal support in bringing to life what you're here to.

✦ **RELEVANT RESOURCES**

- Depending on what we cover in our sessions, you will be emailed resources to help you effectively implement the work suggested between sessions. We have a wealth of additional training to support your growth. **You will also have access to many of our high end trainings and courses (at no additional charge). This is a rare and valuable bonus.*

PERSONAL & BUSINESS GROUP MENTORING OPTIONS

SIX MONTH MENTORING AGREEMENT:

OPTION 1: 1 Payment of \$3000 (save \$300)

OPTION 2: 6 Monthly Payments of \$550

*If you require a different payment plan, please speak to us about this.

We work with those whose word is truly more powerful than any contract or document.

We are able to make our group coaching at a lower rate than personal coaching, as it gives us the opportunity to help you and 2 other souls at the same time. This is why we can offer this to you at a rate much lower than most coaching options you'll find and at 1/3 of our 1-on-1 personal mentoring rates.
