

# YOUR UNIQUE SOUL PURPOSE

The 4 Circles To Do Meaningful Work, Make A Great Living & Have Time To Enjoy Your Life

## 1. YOUR CALLING

This is what drives you. It's your central motivating force. It's what keeps coming up over and over again. This is where you discover deep meaning in life.

What is your passion?  
What is summoning you?  
What is deeply meaningful to you?  
What motivates you deep inside?

## 2. YOUR SKILLS & TALENTS

These are the things you can use to serve others, make the world a better place and make a great living.

What are you naturally good at?  
What skills have you acquired?  
What has life taught you?  
What challenges have you faced and overcome?  
What NEW skills are you inspired to learn?

## 3. WHO YOU SUPPORT

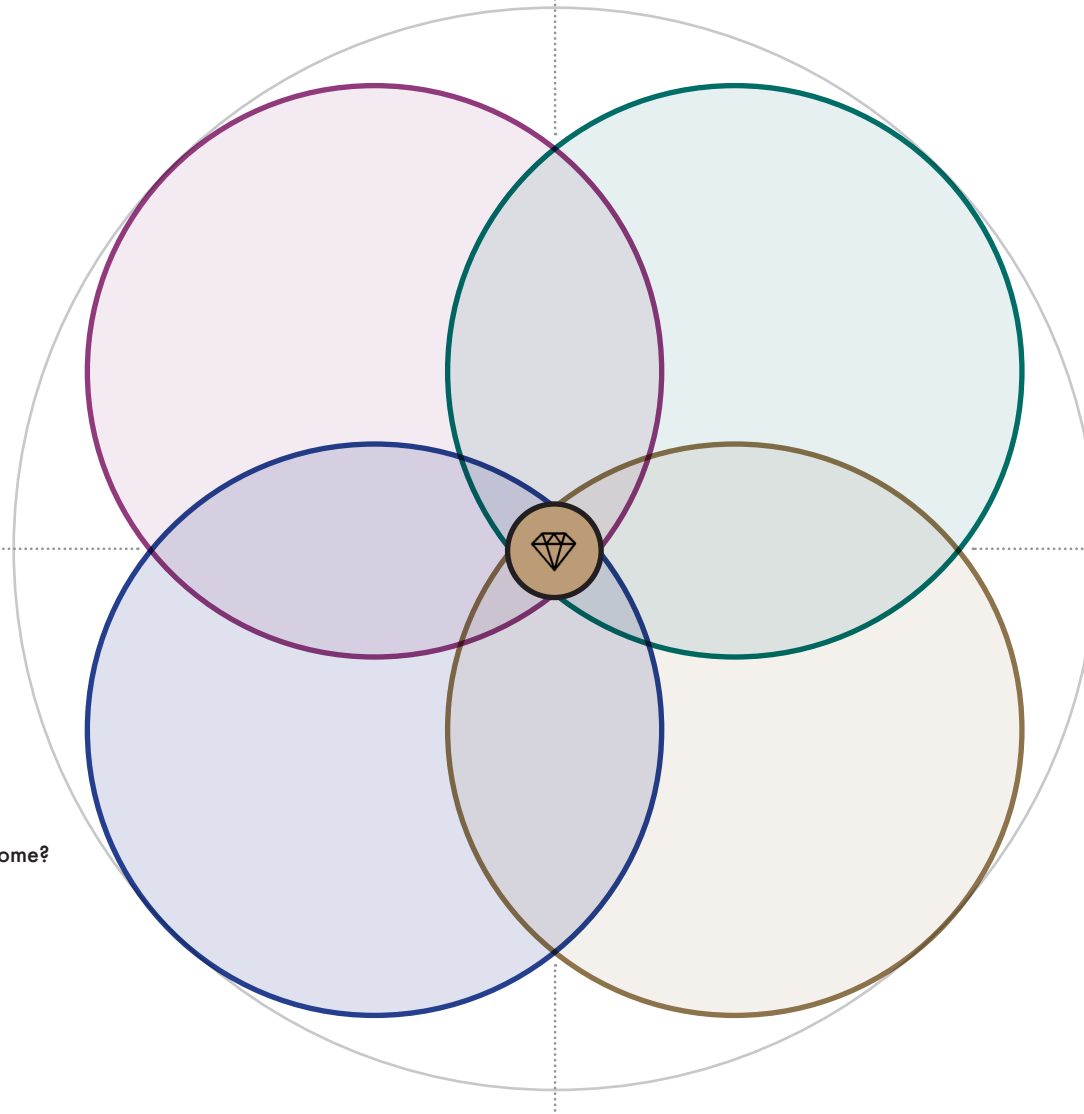

You are here to support others. When you find your tribe and serve them, you will feel your life is filled with meaning and you'll go the extra mile - because you deeply care.

Who do you really care about?  
What type of people touch your heart the most?  
Who would you love to support?

## 4. WHAT DO THEY NEED & DESIRE

What problems, needs, challenges and frustrations does your tribe have? What are their dreams and desires? As you help others overcome challenges and achieve their dreams - THEY will happily give back to you financially and in gratitude so you are blessed on all levels.

What do these people need help with?  
What problems do they need solved?  
What are their dreams and desires?  
What keeps them up at night?  
What motivates them?
